

Home Learning

Please choose a minimum of 4 of the following activities to complete at home on your own or with family. You have both term 1 and 2 to complete your chosen pieces of homework.

1. Design the chocolate bar of your dreams. What is in it, what will the wrapper look like?
2. Use clean recycling to create the skeleton for your favourite animal.
3. Draw a packing list for your suitcase as if you are going on holiday to Antarctica.
4. Create a piece of cave art to tell a famous short story.
5. Create a table to show how many star jumps, press ups and sit ups you can do in 30 seconds. See if you can improve your score every week.
6. Make an artwork using items found in nature (leaves, sticks, sand etc).
7. Using your toys, re-create a scene from a bible story about creation.
8. Next time you are at the supermarket with your family, draw pictures or write a list of fresh fruit and vegetables that are **UK grown** and are **in season**.
9. What items in your home are magnetic? How do you know? How can you test it?
10. Imagine you are a bag that has been left on a bus. Write a diary entry of your journey to a lost property office.
