Home Learning Term 1

We encourage your child to choose a selection of activities from the grid below.

If your child makes something, please bring it into school to show so that we can share and celebrate it with their class! Your child can record their home learning in their book in whichever way they choose. Please ensure that you write the date next to each activity when it has been completed .

Many thanks for supporting your child with their home learning.

Go on a number hunt! Can you find numbers on houses, cars, in shops? 	Draw a picture of your family and the home that you live in! Do you have any pets that you could draw? 
Make some towers out of blocks / Lego! Can you build a tower with 1-10 blocks? 	Go on a sound hunt! Find and take a picture of or draw objects from your home that start with these sounds: 
What is your favourite colour? Think of and draw some objects that are that colour! 	Practise singing some of the songs from our learning! - 1,2,3,4,5 once I caught a fish alive! - 5 men went to mow - the wheels on the bus! Can you think of some other songs? What actions could you do?
Go on a walk – what different sounds can you hear? Can you see any signs that Autumn is here? 	Ask a grown up to write your name. Can you recognise it? What sounds do you know? Practise writing the first letter or all of your name!
Practise singing the days of the week song – can you remember the different days? Look outside and describe the weather! Can you draw a picture of what the weather is like?	Can you think of some different ways that you can be a kind friend to others?
