Rainbow Fish Class home learning - Term 2

Please choose from the selection of home learning activities. All these activities are related to our learning and class topics this term! You can record your home learning in any way that you like – drawings, labels, photos, or pictures! Please date each home learning box as you complete them!

Please note home learning books will be taken out each week and looked at, to be returned on Friday.

Many thanks for supporting your child with their home learning.

Draw a house for the 3 little pigs to live in! 	Can you read and put these tricky words into different sentences. 	Can you build or draw a firework for a Bonfire night? 
Choose a phonic sound that you have learnt in class. Can you think of and draw things that start with that sound? 	Go on a shape hunt around your house! Can you find something that is a square, circle, triangle or rectangle? 	Build a sleigh for Stick Man to help Father Christmas deliver presents 
Design a Christmas card to send to a friend! 	Can you remember the Nativity story? Draw a picture of the different people and animals. 	Design your own Christmas jumper!
